ACADEMIC SKILLS FOR REAL LIFE

- amplify study skill set
- create lifelong organizational habits
- improve work ethic and grades
- develop fundamental critical thinking in variety of topics
- elevate confidence in writing, communicating, test-taking, and college essay prep/process

TOOLS FOR SUCCESS

Unlock your full potential... with a little help!

I specialize in the subjects of History/World History/Art History and am also available for English (editing and proofreading essays and papers).

Learn to craft meaningful class outlines and notes from readings and primary source documents. Think independently and dynamically about topics you would have otherwise not enjoyed.

**NOW AVAILABLE FOR IN-PERSON & REMOTE TUTORING:
INTERMEDIATE SCHOOL - HIGH SCHOOL - COLLEGE UNDERGRADUATES**

A BIT ABOUT ME:

I received my master's degree in History from Monmouth University, where I have taught the course, Countercultures in American History. I am a published and freelance writer currently working on a novel.
